SUMMARY

Enthusiastic and hardworking CSE student with knowledge of programming languages, data structures, web technologies, and software development concepts. Quick learner with good analytical and teamwork skills, passionate about developing efficient and user-friendly applications. Completed online internship experience and actively exploring modern technologies to enhance technical and professional growth.

TECHNICAL SKILLS

Programming Language :	Web technologies:	Database :	Core Computer Science Concepts:
Python , java SQL , C/C++	HTML CSS	SQL,MySQL (Optimization, SchemaDesign),Query Optimization.	DBMS,Object Oriented Programming(OOP) ,operating system,Computer Networks. Tools: VS Code,AntiGravity,Cursor

PROJECTS

• A mini Project on Early prediction of Alzheimer's Disease using RCNN

- Developed an AI-based Alzheimer's Disease prediction system using RCNN and MRI image analysis with 94.3% accuracy.
- Implemented deep learning techniques like CNN, Grad-CAM, and MRI preprocessing for early-stage disease detection.

• AI-Powered Smart Police Management & Public Safety System

- Developed an AI-based Smart Police Management System with role-based access, complaint handling, GPS tracking, and NLP feedback analysis.
- Built AI-powered deployment heatmaps and emergency response optimization for smart officer allocation and public safety.

INTERNSHIP - FUTURE INTERNS

- Designed and deployed dynamic portfolio websites using HTML, CSS, JavaScript.
- Utilized GitHub for managing project repositories, ensuring efficient version control and team collaboration.
- Applied adaptive layouts and accessibility features to enhance user experience across devices.

EDUCATION

- Bachelor of Engineering – Computer Science And Engineering, SRM Valliammai Engineering College
- HSC – Zion Matriculation Higher Secondary School, Selaiyur, Chennai, India
- SSC – Zion Matriculation Higher Secondary School, Selaiyur, Chennai, India

ACHIEVEMENTS AND CERTIFICATE

- NPTEL - PYTHON FOR DATA SCIENCE
- National Level Hackathon in A.J.Mohamed sathak Engineering College
- National level Conference on Recent trends of computational Intelligence

LANGUAGE

- Tamil
- English
